

**Drawn in the Dales**  
**Line & Wash with John Harrison**  
Sunday 3<sup>rd</sup> May 11.00am – 5.00pm

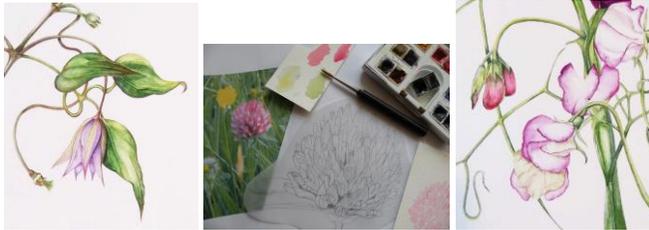

**£50** to include watercolour paper and a unipen  
10 places max.

The Dales' landscape suits John Harrison's loose & lively style in line & watercolour wash. Come and join him for a demo with an opportunity for outdoor sketching (weather permitting) to create your own piece of artwork from the surrounding views.

All refreshments included but please bring your own packed lunch.

**Introduction to Botanical Watercolours**  
**with Lis Bramwell**

Weds – Thursday, 8<sup>th</sup> & 9<sup>th</sup> July  
9.45am – 4.30pm

**£110** to include botanical watercolour paper  
8 places max.

This two day workshop will give you an excellent start to capture botanical details in the lovely medium of watercolours inspired by the wildflower meadows and natural environment at Broadrake. You will explore watercolour mixing & application, capturing leaf, petal & bud shapes, ready for you to put these skills together in a plant portrait.

All refreshments included but please bring your own packed lunch.

**Scything with Steve Tomlin**  
Thursday August 6<sup>th</sup> 9.45am – 4.30pm

**£80** to include all refreshments and lunch.

Under the careful guidance of Steve, you will learn to set up the Austrian scythe, before mastering basic stroke skills and posture to ensure efficient mowing techniques. It is a very satisfying & peaceful method, perfect for small areas of meadow, maybe created from leaving a lawn to grow long with wildflowers for bee pollinators.

**Oak/Ash Hurdle Gates – new for 2020**  
**with Phil Bradley**

Friday October 2<sup>nd</sup> 9.00am – 4.30pm

Working in pairs, you will use greenwood logs, splitting chisels, mallets, froes, axes, shave horses and draw knives to make a small hurdle gate in this new, one-day course for two people. Perfect for small access ways to add character to your garden or to keep the sheep out!

**£150 for 2 persons**, to include all refreshments and a tasty soup & sour dough lunch. A material charge will be made.

Workshops make a great gift, perhaps for a special birthday or to share a new learning experience with a friend or family.

## BLACKSMITH FOR A DAY 2020

Full Tutor: Adrian Wood

8<sup>th</sup> March, August 23<sup>rd</sup>, and Sept 13<sup>th</sup> – all Sundays

9.45am until 4.30pm

Learn how to hammer the hot metal!

£100 including all materials, lunch and refreshments  
8 places on each workshop

Tutor Adrian Wood leads workshops in blacksmithing in many venues across the North of the country. His courses are always very popular and fill up very quickly. He works on decorative blacksmithing commissions for many clients in his own forge at Hornby, Teeside when he's not teaching others. [www.awartistblacksmiths.co.uk](http://www.awartistblacksmiths.co.uk)

You will need to wear layers of old clothing as it can be hot work and sensible shoes (not plastic). Safety glasses must be worn and these will be provided along with a thick apron.

4 mobile burners and 6 anvils are set up so everyone can work together.

Basic blacksmithing skills will be taught to create a selection of items from key rings, curved hooks, toasting forks, poker, and dragon hooks.

Tutor Phil Bradley lives in NW Cumbria where he grows his own sustainable willow for basketry, garden items as well as bird & animal sculptures, all popular workshop topics. He has created some amazing structures and sculptures at RHS Harlow Carr and also takes commissions. [www.philbradley.net](http://www.philbradley.net)

Phil will guide the group through all the processes to make sure that everyone masters the traditional basketry weaves or the framework & free weaving for the sculptural days. His gentle humour and excellent teaching style will make sure that everyone successfully creates their very own basket or piece of sculpture.

The organic willow is included in the price and all the tools required will be provided.

## SPOON CARVING WORKSHOPS 2020

Tutor: Steve Tomlin

6<sup>th</sup>-7<sup>th</sup> May, Wed-Thurs Beginners Spoons £165

Thurs 10<sup>th</sup> Sept Sharpening Skills £85

Fri 11<sup>th</sup> Sept Improvers Spoons £85

Thurs 15<sup>th</sup> Oct Carved Fan Birds £85

9.45am until 4.30pm

Spoon carving is very popular – can be addictive!

Refreshments, greenwood & lunches are included  
8 places max.

Steve Tomlin will guide you safely, step-by-step, through the skills of this lovely way to create unique utensils and spoons from a fresh cut log. The 2 day course is perfect for beginners, with safe axe work cuts taught to split and roughly shape the wood and the different knife cuts. On the first day you will master a kitchen utensil, with butter spreaders and eating spoons on the second day.

The Sharpening day will guide you through techniques to make sure your axe and knives are kept sharp.

The Improvers day is suitable to reinforce axe skills & the knife cuts, and you will make a 'cranked' eating spoon. These 2 days can be bought together for £165.

The Fan Birds day is a good introduction to greenwood carving & you should be able to make a couple of birds.

All materials and tools are provided. Please wear layers of old warm clothing and sturdy footwear.

Steve Tomlin also teaches ash splint basket making & scything. [www.stevetomlincrafts.co.uk](http://www.stevetomlincrafts.co.uk)
