

Cleft Oak Stools with Phil Bradley

Sept 6th, Tues 9.45am – 4.30pm

£85 includes refreshments & lunch. Max. 6 persons

More greenwood working for an oak/ash stool, using the same methods as for the hurdles, but with smaller leg lengths and a wider piece for the stool top. Shaping with hand tools gives a lovely tactile finish. Why not do both days and stay overnight?

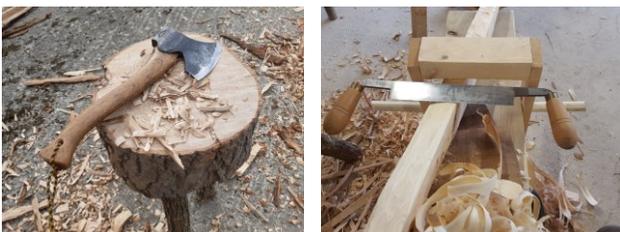

Ash/Oak Hurdle Gates with Phil Bradley

Sept 7th, Weds 9.45 – 16.30

Working in pairs, you will use greenwood logs, froes splitting chisels, mallets, axes, shave horses and draw knives to make a small hurdle gate in this new, one-day course for two people. Perfect for small access ways to add character to your garden or like Broadrake, to keep the sheep out!

£170 for 2 persons, to include all refreshments and a tasty soup & sour dough lunch. Max. 4 pairs

Material charges of £20/hurdle direct to Phil

Ash Splint Baskets with Steve Tomlin

5th – 6th October, Weds - Thurs

9.45 – 16.30

£170 for 2 days 8 places

All refreshments, lunch & materials included

Ash splint basketry is a new and exciting craft being introduced to the UK. An ash log is pounded to separate the individual growth ring layers which are woven into lightweight, elegant and strong baskets. You will learn about pounding, grading and preparing splints and all the skills to weave a practical, strong and beautiful table basket.

Line and Wash with John Harrison

Sunday 28th August & Sunday 11th Sept

9.45am until 4.30pm

Learn how to hammer the hot metal!

£110 including all materials, refreshments and lunch
8 places on each workshop

Tutor Adrian Wood leads workshops in blacksmithing in many venues across the North of the country. His courses are always very popular and fill up very quickly. He works on decorative blacksmithing commissions for many clients in his own forge at Hornby, Teeside when he's not teaching others. www.awartistblacksmiths.co.uk

You will need to wear layers of old clothing as it can be hot work and sensible shoes (not plastic). Safety glasses must be worn and these will be provided along with a thick apron.

4 mobile burners and 6 anvils are set up so everyone can work together.

Basic blacksmithing skills will be taught to create a selection of items from key rings, curved hooks, toasting forks, pokers, and dragon hooks.

Tutor Phil Bradley lives in NW Cumbria where he grows his own sustainable willow for basketry, garden & sculptural items. He has taught for many years and his persuasive guidance and gentle humour give great results. www.philbradley.net. Anna Turnbull teaches with the Northumbria Basketry Group and also at her own workshop www.biteaboutarts.co.uk.

Each tutor will guide you through all the processes step by step to make sure that everyone masters the traditional basketry weaves or the framework & free weaving for the sculptural days.

All tools will be provided with a materials fee of £10/£20 for the organic willow to be paid direct to the tutors.

SPOON CARVING WORKSHOPS 2022

Tutor: Steve Tomlin

Sept 8th-9th Thurs-Friday 2 Day Spoon Carving £170

9.45am until 4.30pm

Spoon carving is very popular & can be addictive!

All refreshments, greenwood & lunches are included
8 places max.

Steve Tomlin will guide you safely, step-by-step, through the skills of this lovely craft to create unique utensils and spoons from a fresh cut log. This 2 day course is perfect for beginners and improvers alike. Safe axe work methods are taught to split and roughly shape the wood and the different knife cuts are taught and demonstrated with emphasis on safety. Starting with a simple kitchen utensil and Steve will gauge the different skill level and needs of individuals to allow refinement of techniques and design variation.

For those of you who have already started out with this absorbing craft then this two day workshop will reinforce your axe skills & the knife carving techniques to shape and finish your spoons efficiently and confidently. You will all make a range of items to explore different design elements, including simple stirring spoons, spreaders and 'cranked' eating spoons. Part of the course will include looking at sharpening equipment and techniques to make sure your own axe and knives are kept sharp and safe.

All materials and tools are provided. Please wear layers of old warm clothing and sturdy footwear.
